Gaeng (Thai Curry)

Thai curry is a combination of chilies and many natural spices found in Thailand. The spices are blended into curry paste to create a unique flavor. The color of the curry is derived mainly from the type of chilies used to make the curry paste. Curry is one of the main meals in a typical Thai Style dinner. Here are our selections of curry:

G1 **Gaeng Dang
(Red)** Famous Red Curry
Spice with coconut
milk, bamboo shoots,
and fresh Thai basil.

Δ
